CENTRAL  
ENERGY TRUST

WITH MASSEY UNIVERSITY  
AND PALMERSTON NORTH  
CITY COUNCIL

## PROGRAMME INCLUDES:

A tour of the centre and talks at the walk-through, breeding and recovery aviaries.

Patient stories including their diagnosis, treatment and recovery journey.

Time to explore the Powerco Education Centre and get hands-on with conservation focused activities.

The centre is fully bilingual in English and te reo Māori.

While we have limited numbers in the centre, groups of children can rotate through the centre and the other activities in the Esplanade.

Our website has a Learn and Teach and Our Animals section full of useful teacher resources.

We are **FREE** to visit but a koha (donation) is greatly appreciated.

To make a booking or ask a question, just send an email to [educator@wildbaserecovery.co.nz](mailto:educator@wildbaserecovery.co.nz).
