

WHAT'S YOUR BIG QUESTION?

ABOUT, IN AND FOR THE ENVIRONMENT

This learning resource has three components and works well with our two programme options. Use this resource with the [Learn and Teach](#) section of our website.

- Education ABOUT the environment - developing knowledge and skills
- Education IN the environment - connecting to nature and place
- Education FOR the environment - taking action to restore, grow and protect

Read more about **Education About, In And For The Environment** [here](#).

You can use this resource independently or work with us in our Big Picture visit, where we will help facilitate some of this work. Connect with nature and place by visiting the centre when learning “Our Patient Journey” and have education in the environment.

ABOUT Our Unique Species	IN Our Patient Journey	FOR Take Action! You can Help!
<p>BIG IDEA</p> <p>Our native species are taonga, treasures. Many are endemic to New Zealand with special and unique features.</p>	<p>BIG IDEA</p> <p>Vets use innovative science and technologies to care for their patients. Every individual counts for many of our native species.</p>	<p>BIG IDEA</p> <p>We can all make a difference and help our native animals and biodiversity.</p>
<p>Learn about:</p> <ul style="list-style-type: none"> • Native Species • Kaupapa Māori – Traditional Stories <ul style="list-style-type: none"> ◦ <i>Nature holds spiritual and practical significance to Māori</i> • Adaptions and evolution of NZ species • Threats • Work being done to protect our native animals. 	<p>Learn about:</p> <ul style="list-style-type: none"> • Common Injuries and illnesses. • Diagnosis and Treatment. • Rehabilitation. • Release back to the wild. <p>The Wildbase Story:</p> <ul style="list-style-type: none"> • Central Energy Trust • Wildbase Recovery • Wildbase Hospital • Wildbase Research • Wildbase Pathology • Wildbase Oil Response <p>Visit: Central Energy Trust Wildbase Recovery</p>	<p>What have we learnt and how can we help? - take action</p> <ul style="list-style-type: none"> • Advocacy & awareness – sharing knowledge with others. • Planting • Pest control • Linking with community groups. • Fundraising • Zero Waste Challenge <p>Conservation Careers:</p> <ul style="list-style-type: none"> • Veterinary Scientist • Wildlife Technician • DOC Ranger • Zoo/Aviary Keeper • Educator • Photo-Journalist/Writer • Film Maker • Entrepreneur/Inventor
