

CENTRAL ENERGY TRUST WILDBASE RECOVERY EDUCATION RESOURCE LIST

DIGITAL RESOURCE

CENTRAL
ENERGY TRUST

WITH MASSEY UNIVERSITY
AND PALMERSTON NORTH
CITY COUNCIL

WHAT'S ON OUR WEBSITE?

LEARN AND TEACH

The Learn and Teach section of our website is a resource of its own. Check out the "What's your big question?" resource as a guide.

OUR UNIQUE SPECIES

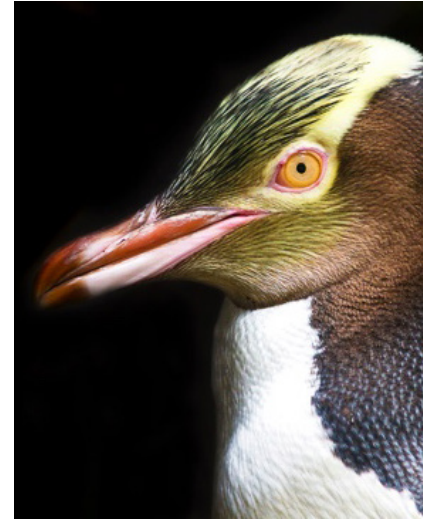

Find links to research species information
Science Learning Hub resources and games to develop understanding

OUR PATIENT JOURNEY

Learn about a patient's journey from diagnosis and X-rays to recovery.

TAKE ACTION! YOU CAN HELP

Ideas for how you can help our native wildlife
Research conservation careers
Tools for environmental action by DOC

THE WILDBASE STORY

Central Energy Trust Wildbase Recovery is part of a wider network caring for our nature. Four other arms of Wildbase operate through Massey University.

KAUPAPA MĀORI

Learn Māori knowledge and stories as told by Rangitāne o Manawatū and sourced from Te Ao Hou.

How the kiwi became Tāne's kaitiaki? You'll learn it here.

Predator Free New Zealand

PFNZ have gathered a rich assortment of learning resources to get kids involved and interested in nature and its conservation.

The World's Largest Lesson

Promotes the use of the Sustainable Development Goals.

PŪTĀTARA – A CALL TO ACTION RESOURCE TOOLKIT

The Pūtātara Toolkit “provides information and links on a range of resources that you and your learners will find helpful in teaching and learning about sustainability and global citizenship, regardless of which pathway or inquiry journey you are following. The resources are grouped in three categories.” – *Ministry of Education*

Funding and practical support, resources for teaching and learning, and articles and research.
